Dear Sir:

Applicant gratefully acknowledges the indication as to the allowance of the present application.

Applicant does, however, not acquiesce that the reasons set out in the Statements of Reasons for Allowance are the only reasons which distinguish the present application from the cited art. Particularly, the Examiner has indicated that the claims are allowed by substantially rewriting the claims. While applicant believes that the claims are

allowable, applicant does not acquiesce that patentability resides only in the features, exactly as expressed in the claims, nor that each feature of the claims is required for patentability.

Respectfully submitted,

FAY, SHARPE, FAGAN,
